LOCATION

Brent Court is conveniently situated in Paignton, a popular seaside town in South Devon and forming part of Torbay, lovingly referred to as the English Riviera.

The property is located in a quiet residential area at the end of a cul-de-sac. It is close to a range of local shops, healthcare facilities and public transport links, making it an attractive location for residents. Paignton town centre, with its array of amenities, train station and seafront, is only a short distance away, and the area is well-connected to Torquay, Brixham and the wider South Devon region via major road networks and public transport options.

DESCRIPTION

Brent Court is a well-positioned residential investment comprising 4x self-contained flats and a block of 4x garages. The flats were purpose built in 1998, with separate living room, kitchen, bathroom and bedroom. They have an approximate gross internal area of 36m². All the flats are a mirror image and have been maintained to a good standard over the years.

All of the flats are currently tenanted. Three of the flats are occupied by long-term tenants of at least seven years. The flats are let to over 55s only, which has resulted in a quiet, stable, and low-maintenance investment property.

One of the garages is currently let to one of the flat tenants, with three further garages empty and ready to let. These could be included within the rentals of the flats to increase value or let separately for higher rental return.

The property benefits from a gated entrance and a cul-de-sac location, giving it a private and exclusive feel. There is onsite parking for at least two cars.
