LOCATION

The three coastal resorts of Torquay, Paignton and Brixham together form the Borough of Torbay with an indigenous population of over 120,000 and popularly known as The English Riviera. Brixham at the south of Torbay, is a holiday resort in its own right and also an important fishing port with a colourful and busy harbour. Harbour Diner is a lock-up unit situated on the first and second floors of 15 The Quay and overlooks Brixham harbour and port. The takeaway & restaurant is part of a terrace of properties on The Quay, which fronts the main harbour where the local fishing boats unload their catches. This is the centre for the tourist trade in Brixham with a number of shops, cafes, restaurants and pubs.

DESCRIPTION

Harbour Diner has built up a strong takeaway & delivery trade with the restaurant and outside seating area providing a further income during the holiday seasons. Due to other business commitments of the owner, staff have managed the business, however we feel that 'hands on' owner operators would be able to push the business and the turnover to a much higher level. The restaurant benefits from smart décor with the flooring and table & chairs being replaced over the past 2 years and fully fitted bar. The covered outside seating area provides customers with a harbourside experience close to the water.
