LOCATION

Ewings Cafe is in an excellent, highly visible trading position close to Torquay's busy Harbourside which is in the process of being newly developed including the opening of the Hamilton Hilton and Premier Inn Hotels which offer 250 guest bedrooms. The area benefits from many independent retailers, bars and restaurants and benefits from several pay & display car parks close by. As the development of the area continues the Harbour and surrounding area will become the 'Hub' of Torquay Town.

DESCRIPTION

Ewings is a smart café/bistro with modern interior and well-equipped commercial kitchen. This long established business has built up a strong regular trade with locals supporting the café throughout the year and tourists who return to the café year after year. Ewings currently opens daytimes only by choice of the owners, offering traditional café fayre with the benefit of a premises licence. Due to the location, there is huge potential for evening trade and with the introduction of a website and social media presence the trade could be further boosted.
