Potential Rental Income of £29,200 Per Annum (When Fully Let)
Potential to Add Value, Split Titles and Sell Parts
Highly Sought After Residential and Commercial Location

LOCATION

The property is ideally located in the central Preston area of Paignton. Situated on Torquay Road, the main road connecting Paignton and Torquay. Preston has become a highly sort after residential and commercial area with its parade of independent and national retailers and its easy access to Preston Sands. The property is well located on local bus links, making it an ideal location for residential tenants.

The commercial scene in Torquay Road is very positive, with a range of retail, office and professional users. The demand for retail units is strong, with very few void units in the main parade.

DESCRIPTION

A freehold terraced property, split into a mixed investment of four units. The property is arranged as two commercial units fronting on to Torquay Road, a one-bedroom flat accessed via the rear of the property and a three-bedroom flat on the first floor.

The two commercial units are let to separate tenants. These units are loosely split and could be combined back into one, should the need arise.

The flats can both be accessed via the lane at the rear of Torquay Road. The ground floor, one bedroom flat is a nice size with a private patio courtyard and UPVC sliding door opening out onto the courtyard from the lounge. The first floor flat is a spacious three-bedroom flat. Both flats are to be sold with vacant possession and would benefit from renovation.
