THE BUSINESS

The Sportsmans Inn is a very well established and well-known pub/hotel with an enviable situation in the heart of the town. This substantial property is very much 'chameleon' in its operation, providing a traditional pub offering whilst having a great reputation as a destination function venue, given its large trading areas. In addition, the Sportsmans benefits from the many letting rooms on offer either for those attending functions or passing through Ivybridge, either on business or on holiday.

The business has been run by an owner occupier couple for over 30 years, who have now decided to retire.

The bar and restaurant are open for breakfast, lunch and dinner 7 days a week, with an extensive menu featuring a selection of daily specials and providing quality, fresh and locally sourced food. The Sportmans Inn has a very well stocked bar and wide choice of drinks and is popular with locals and regulars alike. The back bar provides a cosy 'pub like' experience, whereas the main bar caters for all occasions. The Sportmans Inn hold regular charity and entertainment events from live music and karaoke to pub quizzes and summer BBQ's. The pub is very much at the heart of the local community and is well supported by the locals, which naturally swells in the summer months with the influx of visitors to the area.

The letting rooms are also popular and very lucrative addition to the business.

Whilst the business has traded very well over many decades, the owners are the first to admit that trade could be increased substantially under new ownership and with new energy. The sale of the Sportmans Inn therefore presents an exciting opportunity to take a very well established and successful business to new heights.

Further trading profit and loss accounts will be provided to bona fide interested parties, who have formerly arranged a viewing through the Sole Selling Agents, Bettesworths.

SERVICES

We understand that the property is connected to mains gas, water and electricity with central heating system.
