BUSINESS

The Monks Retreat is a popular Village Inn which serves both the local community and the wider catchment area between Totnes, Newton Abbot and Torbay. The Inn is a well established business and has a healthy mix of food and wet sales.

The Inn would be well suited to an 'owner driver' couple, with one being from a chef/catering background. The property has low overheads, little or no requirement for any further capital investment and a captive audience providing a wonderful opportunity for new owners to stamp their mark on this rather special pub. There is plenty of untapped potential to grow the business further including the reintroduction of the letting bedrooms.
